TWENTY-TWO MONTHS AND TWO HOURS. THROUGHOUT THIS BRIEF TIME OUR BABY MIA LIVED A LIFE OF INSPIRATION, HOPE AND LOVE. MIA WAS DIAGNOSED WITH BRAIN AND SPINE CANCER WHEN SHE WAS 17 MONTHS OLD AND SPENT 4.5 MONTHS AT NICKLAUS CHILDREN'S HOSPITAL FIGHTING FOR HER LIFE. MIA PASSED ON JULY 26, 2020 AT 22 MONTHS OLD. Donating long-term appreciated securities such as stocks, bonds, and mutual funds is a smart and tax-efficient way to support charitable causes, including organizations like Mia's Miracles. When you donate these assets, you not only contribute to the charity's mission but also gain significant financial advantages.

One approach to streamline the process of donating stock to a charity is by utilizing a donor-advised fund. By depositing the stock, you intend to donate into the fund, you can immediately claim a tax deduction for the total value of the assets. This allows you to make a thoughtful decision about which charities or causes you'd like to support later, without being bound by a specific deadline.

One notable benefit of donating stock to charities is the potential to give even more than you might through a cash donation. By avoiding capital gains taxes that would apply if you were to sell the stock and then donate the proceeds, you can maximize the impact of your gift. This means that not only are you supporting a cause you care about, but you're also optimizing your financial strategy by minimizing tax liabilities.

Each year, we have the wonderful opportunity to make a difference in the lives of deserving caregivers and hospital staff through our Caregiver Bags initiative. We extend an invitation to brands and individuals who share our commitment to support these dedicated professionals.

For brands looking to contribute, your generosity can help enhance the contents of our Caregiver Bags, providing valuable items that bring comfort and convenience to those who tirelessly care for others. Whether it's essential supplies, thoughtful gifts, or any other items that could uplift and support caregivers, your donation can make a meaningful impact on their daily lives.
